I would like to invite you to attend a special Mayor's Town Meeting on Monday, August 25th, 2008 at 7:00pm, held on the third floor of Town Hall-Memorial Building, 14 Park Place.

Your attendance is requested because you belong to a very important team, one that understands the importance of improving our Town. We are attempting to bring together representatives from all community groups and organizations that aspire to hasten economic development, esthetic value and quality of life in our Town.

We know there is a lot of work being done by you and fellow community citizens to improve our town. The goal of this meeting is to begin an ongoing process of information sharing. If all community organizations such as yours were to periodically meet and "compare notes" we know we are likely to find priorities that are common to many groups.

Working together we can all help, support and expedite the achievement of the important goals we desire and share. Working together builds and reinforces community pride.

At this meeting we will share with you the status of many town government initiatives. Please be prepared to discuss agendas and ideas from your organization to share with all. We believe we can get more done, more quickly by working together.

Your R.S.V.P. by Wednesday August 20, 2008 is appreciated.
